

CEMETERY TRUSTEE MEETING
JULY 13, 2010

PRESENT: Don Burke, Janet Brown

GUEST: Judy Rogers

Meeting called to order @5:00pm.

Don Burke and Janet Brown expressed their concern about the lawn care contract. They thought the Cemetery Trustees as it has been for years were in charge of hiring the lawn care for all the Towns cemeteries. They were surprised to learn that they signed the contract with Cutting Blade but they have no authority when problems arise. They strongly feel they should have the right to hire or fire. They will discuss this when all members are present.

They were never notified by the Town Administrator or Selectmen what their decision on the lawn care problem was resolved. They are still waiting to hear from someone.

The inmates spread loam, cut brush, did clean up at Pine Grove Cemetery and worked also at Center Square Cemetery. They spread loam at Pine Grove Cemetery on many lots on north side, back side and many inside lots. Loam was spread along stone wall from Bunny Philips sign to all lots to the backside of cemetery. They will seed when it is cooler.

They purchased two rhododendrons from Woodbury Gardens at a discount. They were planted by Janet and Burt and watered during hot days. The inmates planted 16 lilacs also in Pine Grove that were given to Trustees by State of N.H.

They have four carpenters ready to bid on replacing fence at Center Square. Don Burke and Rob Gordon will prepare bid sheet. The Highway Department will take down old fence.

Meeting adjourned at 5:50p.m.

Respectfully submitted,
Janet Brown, Secretary
